File Organization

As a freelance videographer and editor, I enjoy learning new technology and platforms in the service of engaging and collaborating on a personal level. I can communicate with different personalities, work with varying technology formats, and am a creative problem solver. Exhibit installations include The Museum of Work and Culture, Hingham Historical Society, and Fall River Heritage State Park.

EMPLOYMENT

Line Cook, Solid Ground Cafe December 2019 - Present

Operate with a tight-knit staff to ensure food quality by rotating stock, thoughtful preparation, and timely service. Used judgment and experience to fry, bake, and assemble a variety of orders. Became instrumental in documentation and producing items for social media.

Intern, Suyana Technology Inc. June-August 2020

Recorded, edited, and posted a podcast for a startup that promoted scientifically informed wearable technology, and research. Operated remotely sharing drafts and communicating with the hosts of the show (located in Baltimore). Created content for social media weekly, including text, image, and video.

Film Technician MassArt Film/Video September 2017- May 2020

Maintained film hardware through cleaning and equipment tests. Organized studio spaces, as well as operated projection and media storage. Operated equipment checkout, renting out gear, coordinating reservations, and checking orders on return.

Dreamland Wax Museum August 2018 - April 2019

Greeting customers and guided them through their museum experience. Photographed individuals, families, and small groups, on a green screen and on set using custom lighting equipment. Used chroma key software for editing, storage, and transmission to create customized souvenir photo packages.
